If you're a Registered Nurse who's ready to take your career to the next level, June 27th could be the start of something BIG for you. That's the day UMass Dartmouth will be holding an important information session here on Cape Cod about their RN-BS online nursing program. The Institute of Medicine recommends that eighty percent of all registered nurses have their Bachelor's Degree by 2020. Will you be ready? This online nursing program, with a focus on community health nursing, provides a great way to achieve your goal. Plus, it's affordable, offers flexible scheduling and individualized plans... so you can earn your degree and still juggle your busy life. You can complete the program in just four semesters, putting your career advancement on the fast track. Getting on that track STARTS by attending the June 27th UMass Dartmouth information session here on Cape Cod. Register by clicking the "RN to BS Online" link at UMassd dot edu slash nursing or call 508.999.8591. The

UMass Dartmouth RN to BS online nursing program... a world class education within reach!
